REF: LeFrois Construction

Dear Sir or Madam:

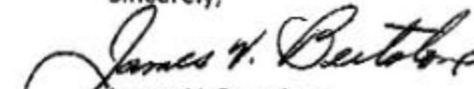

This letter is notification that Rochester Area Local APWU 215 is terminating your services effective immediately. Please be advised that this has nothing to do with the excellent service provided us by CPA John Worboys. However, your agreements with LeFrois Construction in the new building are problematic for our brothers and sisters in the Allied Building and Construction Trades.

Based on the past history, contractors that do not meet the standards we have worked decades to achieve for workers and this community, are detrimental for all of us as well as the entire community. Area wages, benefits, including health insurance, and bonafide apprenticeship programs all entry to and maintain a strong middle class. Misclassification of workers and a contractor's safety record are also of concern with this contractor.

As the President of the Area AFL-CIO I must inform all affiliated unions and organizations of this action.

Should you wish to discuss this further, I suggest you contact the Allied Building Trades.

Sincerely,

James V. Bertolone,
President

Cc: Rochester Building and Construction Trades Division, AFL-CIO
